DEDICATED OPPORTUNITIES

Ocean Port, Inland Port & Rail Hub Drayage Fleets • City and Local Delivery Fleets • Regional and Long Haul Carrier Fleets
24' Truck • Flatbed • Van • Reefer • Warehouse

Whether it's commercial, retail, industrial, restaurant, grocery market, chain store, port/rail hub drayage, plant to plant, manufacturer to D/C, construction requested business services or even home deliveries, MEGA can and will secure and manage reliable and trustworthy dedicated transportation equipment of all types for our customers. MEGA is very strict with the upkeep of carrier performance. In addition to managing 100% all daily orders, Mega provides the added benefit of routing, appointment making, paperwork and signatures, load tending, invoicing, P&D, job-site deliveries, installation labor & will calls. MEGA will also offer to manage for our customers their inventory, replenishments, order assembly, consolidations, CPG, special projects, re-works, pre-delivery assembly, sub-assembly, price ticketing, carton labeling, BOL's, ASN's, reverse logistics and many other value added customer services.

With MEGA's over 40,000 Contracted Local, Regional and Long Haul network of motor carriers, MEGA can confidently handle any shipper's requested volume of asset based capacity. In fact, when it comes to high volume/multiple carrier Distribution Center trailer pool & traffic management, no one does it better than MEGA. With over 25 years of carrier and customer relations, as well as consistent attention to schedules & details, MEGA's pool distribution team is both rehearsed and experienced in managing high output facilities both as a 3PL and 4PL. As a top 3PL, MEGA is an award winning Logistics company and is here to act as a complete outsourced or on-site traffic department for our customers.
