

**The BIG solution to your supply chain needs**

## **FLATBED, STEPDECK, HEAVY HAUL AND SPECIALIZED FREIGHT**

Flatbed and specialized transportation service is another of the many different truckload and less-than-truckload (LTL) services we provide. We provide service that requires flatbeds, single-drop, double-drop and multi-axle and expandable trailers. Through the use of private equipment and relationships with contract carriers, we're able to offer an extensive network of flatbed and specialized services throughout North America. For customers who need to expand their shipping options without sacrificing quality or service, MEGA offers a host of benefits.

### **Mega SCS offers a host of benefits:**

- Servicing of all your flatbed or specialized shipments
- Standard Shipments to Super Loads
- Regional equipment and hauling
- Door-to-Door, Port-to-Port or any combination
- 8-State authority
- Interchange agreements with all major ship lines
- Customer Service 24/7
- Handling of frequent or one-time shipments

### **Flatbed Partial Load Shipments**

For shippers not requiring an entire trailer and able to accommodate more transportation time try our flatbed LTL shipping to significantly reduce shipping expenses.

### **Flatbed Shipping to Canada**

MEGA offers same trailer service with no trailer changes at the border to save time, handling expenses & provide protection against cargo damage.

### **Expedited Service**

MEGA fast flatbed service for time critical shipments.

### **Project Cargo Managers**

We offer years of experience coordinating truck logistics of plant equipment & machinery moving with rigging companies & millwrights. We regularly handle oversize and overweight freight shipments.
