## Post-Shipping Freight Bill Payment Audit

### MEGA Advantages:

Financial Stability, Business Experience, Commitment to Technology, Management Depth & Strength, Best Practices Reputation, Continuous Improvement Programs, Growth Potential, Security, Ethics, On-line Carrier Exception Resolution, EDI, Duplicate Payment Protection and more...

### Possible Audit:

Single Shipment, Inside Delivery, Bill of Lading, Proof of Delivery, Order Notification, Appointment Charges, Residential Delivery, Linear Foot Charges, Tagging & Marking, C.O.D. and Invoice.

### What MEGA Audits Include

---

- Does the weight on the freight bill match the bill of lading?
- Does the description match?
- Does the destination match?
- Is the freight pre-paid, collect or third Party?
- Is there a signature on the inbound POD?
- Is the discount being applied by PUC/ICC common carriers (be aware of exceptions)?
- Is the base rate correct?
- Are the accessorial/miscellaneous charges accurate and justified?
- Is the mileage on truckloads correct?

### Additional Audits on International Shipments (Air & Ocean):

Does bill belong to the client or has the invoice already been processed?

Do the freight charges and Customs fees match the Inco-terms for this shipment? Is the correct rate being used?

Are PO and shipping numbers shown for the client? Are the taxes and duties correct, if any?
